Bio

André “Never” Teixeira is a portuguese rapper from Lisbon, Portugal that transforms his pain into music. Started doing music since a young kid since it helped with traumatic life situations.

Debuting Album after all mention the fail love life and how Never overcame the heartbreak and became better and bigger, accomplishing a placement in one of the most popular portuguese spotify playlist “Na Seda” with the record “Too much” one of his best musics.

Never is preparing a new project named that talks about he's currently.

Real rapper that talks about real life problems so this projects are intense but it take a will to create such a emotional bagadge.
